

Although things have not yet returned to "normal", we thought it might be comforting to all to return to our normal format of monthly Newsletters during the season to keep the membership apprised of the activities at the Club. So, this is our first full Newsletter of the year, in August no less.

## THE ELECTION'S COMING

The annual election to the Board of Governors is coming up. The signup sheet for those interested in running will be posted on the Bulletin Board at the beginning of September and will remain there until September 30. Each year, 3 members are elected to the 9 member Board for 3 year terms. It's a working Board, meaning that we need 9 active, involved members to make everything the Association does (Tournaments, handicaps, social events, etc.) happen. So, if you think you might be interested in participating more actively in Association activities, please consider signing up.

## GREEN VALLEY WEBSITE

Thanks to the invaluable assistance of Member Dave Cozzens, and the support of the Board and management, the Green Valley website ([greenvalleyccofri.com](http://greenvalleyccofri.com)) has been updated to include Association-sponsored tournaments. This is a work in progress and it is intended to also include any Green Valley outside tournaments that may be of interest to Green Valley members and announcements about other Association events. This is another way to reach the membership in addition to the Association Newsletter and postings on the Association bulletin boards. Check it out and thanks to Dave for his invaluable assistance.

That's about it for now. Expect another Newsletter to come out in September, as we attempt to get back to our regular schedule.
