

Summer is almost over, Covid 19 is still affecting how we play golf (no rakes, those metal contraptions attached to the pins so we don't have to touch the flagsticks, lift clean and place in the traps), but we've managed to put in a full season of golf (so far). Several of our major Tournaments were played in August and here are the results, as well as whatever else is going on at Green Valley:

Labor Day Tournament

It was a beautiful day for our Labor Day Tournament! The format was a two person best net ball. Members were allowed to pick their own teams. A box lunch was provided after the Tournament. The winners of our tournament were:

The 2020 Scholarship Fund Raiser was a success with tee sponsorships and sales of mulligans bringing the total raised, as of this writing, to \$2934. Credit for this effort goes to Doug Clark, the Scholarship and Charity Fund Chair, and to Liz Duguay, Denise McCarthy and Tom Desmond (the enforcer) for the work they did on the day of the Tournament.

Mixed Member-Member

The Mixed Member-Member was originally intended to be a 2 day weekend Tournament, with various formats on each day. However, inclement weather on Saturday forced cancellation of that day's competition. The result was a one day Tournament on Sunday with a best net format. The winners were:

1st Net--Petra Perry & Axel Busche

2nd Net--Pam Kopplin & Barry Ford

3rd Net--Libby Tobin & Josh Melo

4th Net--Denise McCarthy & Doug Clark

5th Net--Martha Giarratano & Mike Giarratano

6th Net--Cheryl Pryor & Jim Pryor

7th Net--Carol Potter & Jim Potter

Closest to Pin #5 --Patty Matthews & Barry Ford

If you can put something in the newsletter about the new handicapper email, that would be great. Its GvGhin57@gmail.com, for any issues regarding a person's handicap or miss entry of scores.

Elections

As happens yearly, three positions on the nine member GV Association Board of Governors are up for election. The positions are for a three year term. The sign-up sheet has been placed on the Men's Bulletin Board and will remain up until the end of September. If there are more than three Association members who put their names forward, there will be an election by mail.

Columbus Day Tournament

The Columbus Day Tournament will be a Shamble Format, with the team selecting the best drive and the team members playing their own ball from that point into the hole. We are fortunate that we have been able to resume our tournaments, but we do still need to keep us safe, so we will once again be putting together our own teams and we will go out by tee-times. The sign-up sheet will be available soon on the bulletin board in the Pro Shop. There will be food and beverage provided after play and trophies earned throughout the year will be awarded at that time. Further information and the signup sheets will be posted. If further information becomes available, we will also send out a flash email with the particulars.

This & That

Handicapper Josh Melo has asked that, if any member has an issue with their handicap, such as a missed entry of scores, or an erroneous score, that Josh can be contacted at his email address, GvGhin57@gmail.com.

Member Paul Sicilian recently had an interesting finish to his round. As Paul was walking off the 18th tee, he heard a popping sound coming from his carry bag. Upon investigation, Paul found that his bag was on fire. It seems that Paul had a lithium battery in his bag and the heat apparently caused it to explode and light up his bag. Paul managed to save his clubs and is now looking for a new bag, presumably one that is fireproof.
