This & That

Have you visited the Green Valley Website (greenvalleyccofri.com) lately? Check out the Member Info section to see a calendar of upcoming events, get results from tournaments, and catch up on the latest news from the Green Valley Association.

The greens will be plugged on Tuesday May 18th and it will be a DEEP SOLID TINE. The greens should recover very quickly like the green plug earlier this year.

FabNewport is establishing a First Tee chapter that will mostly be playing on Aquidneck Island courses and thereby benefiting local kids. First Tee is a chapter that encourages young boys and girls to take up the game of golf, which is great for the future of our game. One of the first things FAbNewport is going to need are sets of kids golf clubs. If any member or members have any kids clubs hanging around, and would be willing to donate them, please contact Member John Pope (jpope@johnspopecpa.com).

Quotes & Jokes

Golf is a lot like taxes... you go for the green and come out in the hole.

The man who takes up golf to get his mind off his work soon takes up work to get his mind off golf.

"Golf is deceptively simple and endlessly complicated; it satisfies the soul and frustrates the intellect. It is at the same time rewarding and maddening - and it is without a doubt the greatest game mankind has ever invented." Arnold Palmer
